Washington State Need Grant Program Conditions of Award

You are being considered for a Washington State Need Grant. If you receive this grant there are five special conditions, listed below, with which you must comply. If you have questions or find you cannot comply with these conditions, please see the financial aid administrator at the institution you are attending.

1. You do not owe a refund or a repayment on a State Need Grant, a Pell Grant, or a Supplemental Education Opportunity Grant, nor are you in default on a loan made, insured, or guaranteed under the Perkins, National Direct, or Federal Family Education Loan programs. In addition, you are not in default on a loan made through a state conditional loan or conditional scholarship program.
2. This grant is awarded to assist in meeting your educational expenses; and should you withdraw from classes, repayment of all or a part of the grant may be required.
3. You can choose to voluntarily make financial contributions to the Higher Education Coordinating Board in recognition of this STATE NEED GRANT. All voluntary contributions will be used to provide financial assistance to other students.
4. The offer of the STATE NEED GRANT is subject to and conditional upon the availability of funds. The Higher Education Coordinating Board and the institution through which the grant is awarded, reserve the right to withdraw, reduce, or modify the grant due to funding limitations or due to changes in circumstances which affect your eligibility for the STATE NEED GRANT.
5. You are not pursuing a degree in theology.
