Signature _____ Date _____

Does your credit load match your financial aid award?

Your financial aid **grant** awards for the 2014-2015 school year are estimated and assume you will be taking 12 or more credits. For any quarter in which you will be taking less than 12 credits you should ***complete this form*** and hand deliver or fax (360-383-3011) to the Financial Aid Office **as soon as you know your final class schedule or by the 3rd day of classes of the quarter, whichever is sooner**.

If you have a Stafford Loan and/or Work Study Award, you must be enrolled for **at least 6 credits** to be eligible for your loan and/or award.

Have you changed your mind about attending this quarter?

When you have **grant** and/or **student loan** awards and you enroll for classes, your financial aid awards are automatically processed to pay your tuition and fees prior to the start of classes.

If you **do not attend** you will receive either "V" or "F" grades for your classes and your financial aid awards will be cancelled but you will owe Whatcom Community College for your tuition and fees **unless you**:

- Officially withdraw from classes before the end of the 5th day of classes.
- Notify the Financial Aid Office that you are "declining" your awards by the end of the 5th day of classes.
