Certificate of Proficiency (CertP) - Governmental/Not-for-Profit

Accounting

This short-term certificate provides additional specialized knowledge in the area of governmental and not-for-profit accounting methods for the skilled worker. It is unlikely that employers will hire students who have only completed this certificate of proficiency; coursework may be applied towards a one-year certificate in accounting or a two-year AS Degree in Business (including the specialty option in Accounting).

Effective Fall 2012
